March 6  LRP: a common denominator for APP and apoE  
  Guojun Bu, PhD, Washington University  
March 13  Diversity Awareness & Cultural Competence Initiatives of Barnes Jewish Hospital  
  Brenda Battle, Barnes-Jewish Hospital, Center for Diversity & Cultural Competence  
March 20  Amelioration of Frailty in Obese Older Adults  
  Dennis Villareal, MD, Washington University  
March 27  Pomegranate juice, polyphenols, and resveratrol:  
  Effects on brain injury during development and in a model of Alzheimer’s disease  
  David Holtzman, MD, Washington University  
April 3  Psychosocial determinants of intention to screen for Alzheimer disease:  
  A population-based study  
  James Galvin, MD, Washington University  
April 10  Presynaptic silencing: a homeostatic response to neuronal dysfunction  
  Steven Mennerick, PhD, Washington University  
April 17  Individualized-Sensory Enhancement in the Elderly: A Nursing Home Study  
  Pamela Cacchione, PhD, RN, GNP, BC, Saint Louis University  
April 24  Update on Amyloid Plaque Imaging with PIB  
  Mark Mintun, MD, Washington University  
May 1  Alzheimer’s Association Annual Update: Education, Service & Policy Initiatives  
  Joan D’Ambrose, Carroll Rodriguez, Jan McGillick  
May 8  NO SEMINAR  
May 15  Emotional Cognition in Early Stage Alzheimer’s Disease  
  Randall Larsen, PhD, Washington University  
May 22  Invitation to the NAD world: Mammalian Sirt1 and NAD biosynthesis in aging and metabolism  
  Shin-Ichiro Imai, MD, PhD, Washington University  
May 29  Neurotrophic Factors Update (tentative title)  
  Eugene M. Johnson, Jr., PhD, Washington University  

CME ACCREDITATION  
Washington University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Washington University designates this educational activity for maximum of 1.0 hours in category 1 credit toward the AMA Physician’s Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.  

DISCLOSURE POLICY  
It is the policy of Washington University School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All faculty participating in this activity are expected to disclose to the audience any significant financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation.
